Ministry of Health of Vietnam applauds the Vietnam Medical Import-Export Joint Stock Company (VIMEDIMEX VN) and the Vietnam Advertisement & Fair Exhibition JSC (VIETFAIR) for their successful organization of the Vietnam International Medical and Pharmaceutical Exhibition series over the preceding years. This exhibition has established itself as a premier event, garnering significant participation from both domestic and international entities.

This exhibition takes place at a pivotal time, as the Vietnamese health sector diligently implements Party's Resolutions, including those issued by the Politburo: Resolution No. 57-NQ/TW, dated December 22, 2024, on breakthroughs in developments of Science, Technology, Innovation and National Digital Transformation; Resolution No. 68-NQ/TW, dated May 4, 2025, on the Development of the Private Economic Sector; Notably, Resolution No. 72-NQ/TW, dated September 9, 2025, on Breakthrough Solutions to Strengthen the Protection, Care, and Improvement of People's Health. It is my sincere hope that this exhibition will serve as a vital platform for businesses to showcase their products, exchange valuable expertise, explore opportunities for investment, manufacturing, commerce, and to expand their market presence, thereby contributing to the overarching mission of protecting, caring for and enhancing public health.
